Committee: Joint Special Committee On Referendum Petition

Measure, Appointment or
Topic: SB1599

I signed the referendum petition on Kotek's gas tax hike last year. When us Oregonians signed that petition, the signature sheet clearly stated the measure would be voted on at the General Election on November 3, 2026. You need to start listening and supporting us Oregon registered voters because we are tired of not mattering and being lied too.

Very frustrated registered voter,
