Committee:	Joint Special Committee On Referendum Petition 2026-302
Measure, Appointment or Topic:	SB1599

As 1 of the 250,000 registered voters that signed the petition to have this put on the November ballot I oppose it being put on the May ballot. We all can see why you are moving it to May, not because it is an emergency but because you do not want it on the same ballot as you and your democratic peers. I do not support this being on May ballot. You need to consider the Oregonians that actually vote in this state. You are not looking out for Oregonians you are looking out for yourself.
DO NOT PUT THIS ON MAY BALLOT!
