Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or  
Topic: SB1599

I oppose changing the vote to the May primary. The people of Oregon who signed the petition requested a November general election vote and it should be honored. I think we all know why the super majority party wants to move it to the May ballot. You want it moved because you know voter turnout is lower and you don't want your name next to it in the November general election. I'm requesting to keep it on the November ballot.
