

Submitter: Colleen Anderson

On Behalf Of:

Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or Topic: SB1599

I am testifying to say that this bill is exactly the opposite of what we the people said we wanted. How is this representation of the citizens? This referendum needs to go on the November ballot like we signed to support. Anything less and we the people will speak again, loudly, when it comes to who we keep in office. Vote NO.
