Committee:	Joint Special Committee On Referendum Petition 2026-302
Measure, Appointment or Topic:	SB1599

I am in opposition of SB 1599. This petition initiative had signatures collected for the November 2026 Ballot. You should not change the election date because the people signed this position overwhelmingly to be on the November ballot. When you start change election dates, it lead to mistrust in our government.

Please vote against this bill and protect the initiative petitions guidelines.
