As a Oregonian I don't think that I have ever been to the Moda Center. I am sure that I am not alone in that statement.

It is my feeling that user fees are what should be applied here. There are thousands of Oregonians that will see absolutely no benefit from this bill, but are expected to help pay for it. Sorry, but we are tapped out! This venue that brings in so much money should be able to be self supporting and not rely on taxpayers money. I strongly oppose this bill!
