On Behalf Of:  
Committee: Senate Committee On Health Care  
Measure, Appointment or Topic: SB1598

Dear Senate Committee On Health Care.

My name is Lauri Tauscher, BSME, Oregon State University.

Health Care Choices should be made by individuals, parents of children, and their individual physicians.

These decisions should not be made corporately for us by committees or government organizations or anyone other than the individual.

I oppose SB1598 because it paves the way to allow health care decisions to be made for individuals by entities making decisions for ALL citizens.

Respectfully holding you accountable to preserve our individual health care freedoms,

Lauri Tauscher, BSME
