Measure, Appointment or Topic: SB1599

I oppose Bill 1599 because I signed a petition to have this issue put on the NOVEMBER 2026 ballot, not the May ballot! The date November 2026 was specified in writing on the petition I signed. It would be wrong (and possibly illegal) to move it up to May. We don't want it on the May ballot. We didn't ask anyone to put it on the May ballot. WE COLLECTED OVER 250,000 SIGNATURES TO SPECIFICALLY PLACE THIS ISSUE ON THE NOVEMBER BALLOT! Now do what is right, listen to your constituents, and put this on the November ballot!! I STRONGLY oppose Bill 1599.
