Committee: Senate Committee On Health Care

Measure, Appointment or Topic: SB1598

Restricting the unvaccinated from public spaces and forcing medical procedures on citizens is authoritarian tyranny that tramples bodily autonomy, personal freedom, and basic human rights. No politician—Democrat or otherwise—has the moral or constitutional authority to segregate or coerce people over private health choices. Such mandates are indefensible, divisive, and must be rejected outright.

Keep your evil policy off of my body Oregon!
