

Submitter:

Russell Karow

On Behalf Of:

Committee:

Senate Committee On Health Care

Measure, Appointment or Topic:

SB1598

Senators - I am an older Oregonian whose life experience has shown that vaccines are safe and essential. I am also a scientist who knows that science-based decision making has given us the life we all live at this time. We must not abandon either of these drivers to the quality of life we have had the the ability to enjoy.
