Committee: Joint Special Committee On Referendum Petition
2026-302
Measure, Appointment or SB1599
Topic:

As a third generation Oregonian I am vehemently oppose to the passage of SB1599. It goes against the ballot measure language, title (written and approved by the Secretary of State) and intent of the referendum against the "transportation bill". We deserve the right to have our voices heard as it was intended.
