Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or  
Topic: SB1599

Changing the vote on SB1599 from November 3rd to May 19th 2026 is an intent to do harm. It is against the will of the people who you serve and who signed the petition that states "November 3, 2026".

Surely some of you know the difference between right and wrong? That being said I ask you to oppose SB1599 and join the will of the people. We are watching, closely.

Respectfully submitted.
