Greetings Referendum Committee

The known ODOT tax bill from last year has seen opposition from the beginning. Salem has attempted to force it through against the will of the People. The People signed referendum for this tax bill to be voted on by the People. Kotek and other democrats have attempted to pull this Referendum, alter the Referendum, and attempted to deny the People their due diligence of Oregonian opinion and direction. This is only attempt to DENY DEMOCRACY!!! Let this be voted in November. Period. Oregon democrats have become authoritarian in nature thinking that they can do whatever they want.

SB 1599 is another attempt to deny democracy and the People are being ignored. Ignoring your voters and the People is not democracy.
