Measure, Appointment or  
Topic: SB1599

My wife and I are both native Oregonians. We have each lived here for 73 years. I can't recall a time when I have felt so frustrated and angered about what our state legislature is attempting to do. You ignored the voice and will of the people last fall and you are doing it once again. Who do you represent? Yourself, your party or the people of Oregon? The answer you should have is quite obvious, but I fear it will not happen. I beseech you to not pass this measure and let the people of Oregon know that you are listening.
