

Submitter:

Candice Fuller

On Behalf Of:

Committee:

Senate Committee On Health Care

Measure, Appointment or Topic:

SB1598

I strongly oppose SB1598, as a private citizen my health and medical choices are between me and my health care professional. We as a Republic have medical freedom and thst means a bunch of bureaucrats should snd do not have the right to blanket tell everyone how to live there life medically . I strongly oppose and hope everyone votes no and does the right thing.
