Measure, Appointment or SB1599  
Topic:

With all due respect, I am appalled at the attempt to push through SB1599. The people of Oregon have CLEARLY spoken by submitting well over the required number of signatures to oppose the proposed new gas tax and take it to a vote on the November '26 ballot. Several alternate budget proposals have been made to avoid the gas tax, but everything offered seems to fall on deaf ears. For once, work FOR the people of Oregon and do what they have requested by signature, namely, SB1599 added to the November ballot. Please, listen to the people of this state for a change!
