Topic: SB1599

I oppose SB 1599 being moved from November to May. This is more over reach of the legislature just doing what they want not what the hardworking tax payers of Oregon voted for. They are counting on a low turnout like most primaries have. There is no valid reason except legislators what to show the people they are the ones in power and do what they want. More corruption and shows again how out of touch they are with the people who are supposed to be who they listen to.. please vote NO on 1599.
