I am 65 yo Oregonian and have worked since 12 yo... I have seen the beautiful side of Oregon - balanced and working together for Oregon. These past 3 democratic Governors and super majority legislative agendas has torn our balance to pieces. Well we the voting people of Oregon of any party - have had enough. We got 250,000 valid signatures to put the No Gas Tax on the NOVEMBER ballot. This is legal and ordered so Leave it there. to do anything else is showing that we the people will take action of no confidence against those who are pushing this!!!
