Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or Topic: SB1599

We the people have spoken. THIS SHOULD BE VOTED ON IN NOVEMBER AS PER THE PETITION NOT MOVED TO MAY. We are tired of the lawmakers trying to go around the voters. It seems like our national leaders are trying to lower our already too high taxes while our state leaders are still trying to raise them. Do not think we are not paying attention because we are and will remember when it comes time to vote. Sincerely. LaVay W. Jeffries
