On Behalf Of:  
Committee: Senate Committee On Health Care  
Measure, Appointment or Topic: SB1598  
To Whom It May Concern,

I strongly oppose SB1598. If passed, it would be detrimental to our innate right to medical freedom. Putting authority into the hands of unelected individuals and blanket mandates without regard to individual medical conditions, circumstances or personal sovereignty sounds like wreckless government overreach to me.

Thank you for your time,
