Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or  
Topic: SB1599

I oppose SB1599.. The people followed the rules and did what we needed to do and all petition have the date of November. There is to valid reason to change the date except more corruption and overreach of the government over the hard working tax payers again. Playing political games. One party is never to over rule the people you are getting paid to represent the people. Please vote NO on sb1599.
