Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or  
Topic: SB1599

Oregon Legislators,

As a long time resident and registered voter in Oregon, and someone who signed the Tax Petition in 2025, I am writing to say that I strongly oppose SB 1599.

Voters who signed the Referendum Petition did so with the expectation of the measure being listed on the November ballot, not in May. These political stunts only further disenfranchise already weary citizens.

I urge you to honor the expectation of keeping this important measure on the November 2026 ballot and give Oregon voters ample time to do their due diligence to make an informed decision. Please respect the referendum law process and the rights of Oregon voters by rejecting SB 1599.

Regards,

Dominic Maraglia
