Committee: Joint Special Committee On Referendum Petition
2026-302
Measure, Appointment or SB1599
Topic:

I strongly oppose Senate Bill 1599 which would move the vote on the transportation tax and fee increases from the November ballot to the May primary ballot. I feel it is yet another Democrat manipulation of our voters will to achieve their preferred result of raising taxes. It seems to me that fiscal responsibility should be the aim of our elected officials rather than pushing tax increases on an already overtaxed state.
