Topic: SB1599

I am one of the signers to place referendum for a vote on the gas tax bill. The petition clearly stated it was for the November election. This was approved by the SOS. I am opposed to this bill placing the referendum on the May ballot. I am tired of the Legislature ignoring the people of Oregon. Your jobs are of/by/for the people of Oregon. It is not to be political. Remove this bill from consideration. Let it die. Give us the referred vote in November.
