I am one of over 250,000 Oregonians who signed the petition in opposition. I expect state leaders to accept the will of the people, which is always circumvented. I expect our government to be accountable to taxpayers and be transparent, which isn't happening. Our Governor refuses to face the people, which shows how weak leadership is. Oregon is in an affordability crisis and all Salem does is increase taxes and burdens taxpayers. I demand this remain of the November ballot. Our pockets are NOT bottomless. The accountability of leadership in Salem is nonexistent. The people have spoken, and we're tired of not being heard. This is the consequence of poor leadership and negligence.
