The people of Oregon spoke very loudly against this tax increase. We called it down moving it to the November election in staggering numbers. The idea that it is being considered to move it to May tells us all that you do not care what WE THE PEOPLE WANT, you only care about your own agenda. The budget is done, you try fear mongering and sneaking things in that nobody is aware of, it is appalling and shows complete disrespect to the people. I believe what your attempting to do is a big slap in the face to Oregonians. Leave it on the November ballot, let the people decide, thats your electoral job, to listen, hear and follow the people!!
