Topic: SB1599

I hope the leaders in Salem listen to us. 250,000 Oregonians signed that petition. And the petition says it will be on the November ballot. The legislature should honor the will of the people. And leave it on the November ballot. If the democrats truly feel they will retain power then they have nothing to fear having the gas tax and kotek on the same ballot. Please do the right thing and let this stay on the November ballot.
