Submitter: Eugene McGough

On Behalf Of:

Committee: Senate Committee On Health Care

Measure, Appointment or Topic: SB1598

My name is Eugene McGough, and I support vaccine access.

I am nurse anesthetist here in Salem and this fall I wanted a COVID vaccine to protect my family and my patients and I went through an ordeal trying to access one without a prescription. Even when I met the criteria, I still had trouble at pharmacies. Vaccine access should be easy.

Please pass Senate Bill 1598.
