Michele Stroh

On Behalf Of:

Committee:

Senate Committee On Health Care

Measure, Appointment or Topic:

SB1598

Dear Leaders,

Once again, before you is a very bad bill.

Taking away the patient and doctor relationship by starting yet another non profit government agency is incomprehensible.

In your mad rush to do the exact opposite of the current administration will hurt the very Oregonians you are claiming to be helping.

As a covid blood clot recipient, I am speaking with experience ..do not advance this bad bill
