Committee: Joint Special Committee On Referendum Petition
2026-302
Measure, Appointment or
Topic: SB1599

We the voters of Oregon want the transportation bill to appear on the November ballot, as requested in the petition. DO NOT move it to the May ballot! Let the legal process take place without interfering for this single bill. The time built into the process is intentional and the voters have already indicated that the bill should be up for a vote in November.

Thank you.
