Committee: Joint Special Committee On Referendum Petition
2026-302
Measure, Appointment or
Topic: SB1599

I urge you to keep this bill 1599 on the November ballot! It is obvious to the, at least 250,000, that gave signatures against it that you are diverting from proper policy. You must regard the will of the people or damage your vote for govenor in November. Therefore do not place this bill 1599 on the May ballot!
Be advised, do the right thing.
