Committee: Joint Special Committee On Referendum Petition

Measure, Appointment or
Topic: SB1599

This measure needs to be on the November ballot because that is the month it said on the petition I signed and it needs to stay on the November ballot. Governor Koteck needs to listen to the people of Oregon, not her own agenda! She represents the citizens, not just herself. She is being disrespectful to her constituents! This measure on the November ballot, period!
