

Submitter: Steve Russell  
On Behalf Of:  
Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or  
Topic: SB1599

The petition to put the Gas/Transportation behemoth bill to an actual vote of the people was certified to be on the November general election ballot. Kotek and cronies only want to illegally change the date to May as another way of trying to force their agenda down the throats of the 79% of people that opposed it in the public testimony prior to the bill. This is an abomination and must not be allowed! Thank you, Steve Russell
