

Submitter: Virginia Stocklin-Enright  
On Behalf Of:  
Committee: Senate Committee On Health Care  
Measure, Appointment or Topic: SB1598

This bill shifts authority from families, parents, individuals, doctors, and legislators to unelected bureaucrats, and uses taxpayer funding to do it. After the mis-steps of the covid era, it is clear that we need to strengthen doctors' ability to make patient-specific medical decisions, maintain and protect individual sovereignty, and protect the power of informed consent. Thank you.
