Measure, Appointment or SB1599  
Topic:

I am opposed to moving the referendum from November to May. I signed the petition on the pretense it would be on the November general election ballot. Please keep the original vote day in November because the general election gets a bigger turn out and moving it suppresses the rights of many Oregon voters, including those like NAVS who don't typically vote in the primary.

Thank you for your time and attention to this matter.
