2026-302

Measure, Appointment or Topic: SB1599

I oppose Tina Kotek moving this vote to a male election. As it was stated in the documents that were provided to her, this was for November election. She is violating the Oregon constitution and our rights under the law. She is a tyrant. This must be upheld. This must be on the November election. Just like the vote to send her out out of office.

I do not support a may vote. This needs to be on the November election.
