Committee: Senate Committee On Health Care  
Measure, Appointment or Topic: SB1598

I am NEUTRAL on [SB 1598].

Here are a few mandatory Vaccinations and or Tests I can remember.

\*Polio Vaccinations were mandatory when I was much younger than I am now.

COVID-19 Vaccinations saved me while others I know are now muerdo carne.

\*Measles, Mumps, Rubella

\*Tuberculosis Tests

\*Tetanus

\* Shingles

I guess there are those people that say, "I do not want these vaccines" but if their children are not vaccinated, they might end up suffering from hideous sicknesses including death.
