To Whom It May Concern,

I'm firmly against SB 1599 as it is a tactical tool to pass HB 3991 which is completely unnecessary to fund the transportation needs of this state. Instead of that, prioritize spending for taking care of the infrastructure that is, no more wasting of money removing road lanes, installing so called calming structures, and supporting mass transit systems that very few people actually use. The taxpayers even now are not receiving value for money. Oppose SB 1599 and HB 3991.
