Committee,

This was signed by the residents of Oregon to be heard on the November ballot. Rushing it to the mid-terms is obviously an attempt to circumvent the wishes of your constituents. This is far from unusual as the bill that was proposed is WILDLY unpopular. We also have the least popular Governor in the nation. And the reason? BS like this. Let the peoples voice be heard on the timeline WE asked for. Quit this political NONSENSE. We elected you. You work for US.

Regards,  
Erik Wright
