Measure, Appointment or SB1599  
Topic:  
Honorable Oregon Legislators:

Oregonians have made their voices heard loud and clear--we cannot afford any additional taxes. We do not appreciate our representatives pushing through legislation that was clearly not wanted by the people of Oregon. The Referendum to allow us to vote on part of this ODOT legislation was achieved and in record time-- and we want to vote on it in the general election in November which was part of this Referendum.

Moving it to May is a ploy so that fewer voters will have a voice (far lower turnout election) and so that this unpopular tax bill will not be on the same ballot with the Democrat legislators that voted for it. There are NO OTHER REASONS for moving it. That is disgusting. It's basically saying you do not want to listen to or support the will of the Oregonians you have been elected to represent.

Thank you for voting no on this egregious Bill.

Sincerely,

Jane Herb
