Committee: Joint Special Committee On Referendum Petition
2026-302
Measure, Appointment or
Topic: SB1599

Honorable committee members, the Oregon residents that signed the original petition all were in agreement for the ballot measure to be presented to the voters on the November ballot. The will of the public was ignored when the bill was passed and signed by the governor. Oregonians were opposed to the original bill and let showed their position with the overwhelming support in signing the initiative. I challenge you to do the right thing and represent the will of the people by honoring their wishes with a November vote.

Respectfully submitted Gerald Stevens.....Cottage Grove, Or
