2026-302

Measure, Appointment or Topic: SB1599

Moving the Referendum to the May ballot is imperative to bring relief to the 4000+ ODOT employees that have been living with extreme uncertainty for the last year. Not only do them employees matter, but what the agency does matters - every division including Public Transit. Moving to a May ballot still gives every Oregonian an opportunity to vote. Move to the May ballot. Thank you.
