SB1501

Oregon is known for our kindness, community, diversity, inclusion, openness, fun, spirit, and a feeling like you belong. The Portland Trailblazers embody all of this and more. Our opportunity to invest in the Moda Center, the home of the Portland Trailblazers, Portland Fire, numerous concerts, and community gatherings, this is our moment to say we believe in Oregon and can see a better and brighter future. I strongly encourage the support of 2026 LEGISLATIVE REQUEST: SB 1501 - MODA CENTER RENOVATION.
