SB 1599 is POLITICAL CORRUPTION on its face! This is clearly an attempt to rig the system! This is Unacceptable Gamesmanship!!

The evidence could not be more clear by the fact that a Special Joint Committee was created to FAST TRACK the bill through the process! This is outrageous!

Over 250 thousand Oregonians signed the referendum demanding the vote be held in November, NOT may!

Not only is there historically lower voter turnout in the May primary, but this will make it nearly impossible to gather the necessary signatures to place arguments in favor of repealing the \$4.3 Billion Dollar Tax & Fee Boondoggle in the Voter's Pamphlet!

Objectivity, transparency and fairness is what Oregonians demand from their political leaders. This bill and the whole process is neither!

On every level I strongly oppose this bill and the whole process. Do the right thing for honest, hard working and trusting Oregonians!
