On Behalf Of:

Committee: Joint Special Committee On Referendum Petition
2026-302

Measure, Appointment or Topic: SB1599

When the people spoke via the massively executed petition to stop the transportation tax bill and put it before the voters in November, we were successful. Now Kotek is trying to put the vote to a date in May to avoid it being on the same ballot with her in November. She continues to use disrespectful and bullying tactics towards a large population of this state and I believe the the November ballot is what the law demands and I oppose the vote being put on the May ballot.
