2026-302

Measure, Appointment or  
Topic: SB1599

I signed a petition to have this voted on by the people in November of 2026. Any effort to change it to May undermines the voice of taxpaying citizens and reduces the already abysmal trust in Oregon government. It should not be common to be poor fiscal managers, turn blind eyes to fraud, or ignore the will of the people. It is also tiresome always having new fees and being taxed nonstop. No more taxation without representation. No more fiscal irresponsibility.

This must be on the November ballot.
