We the people have spoken! Not once. Not twice. But three times or more against this bill and all of its forms. We stated that we want it to be voted on in November. For it to be otherwise would've been unethical and, as I understand it, in violation of the Oregon constitution. This legislature has disregarded public outcry repeatedly which has not gone unnoticed. Be aware that the initiative has been signed by Republicans, Democrats, Independents and non affiliated voters. To go against our voiced demands will be spoken of in the public forums indefinitely.... Leave it on the ballot in November.
