Measure, Appointment or
Topic: SB1599

I just want to take a few minutes to voice my opposition to SB1599. I worked hard to gather signatures on the referendum to allow the citizens of Oregon to vote on the gas tax in the November election. I do not want to see SB 1599 on the May ballot. Many many citizens showed up to sign the referendum in opposition of the gas tax. We signed up to vote on this in November when the majority of our citizens cast their votes and want to follow through and have the measure voted on in the November election.

Thank you.
