

Submitter: Robert Hammond

On Behalf Of:

Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or  
Topic: SB1599

Leave the date as is. We have 0 faith in our government here in Oregon and as shown by the crap you folks have already done it's obvious that you don't care for WE THE PEOPLE. There has to be a benifit for the govenor in changing the date and she doesn't deserve any help from the people she doesn't care about. She and the majority of this government from top to bottom care only for themselves.
