Measure, Appointment or Topic: SB1598

I very much oppose measure-#1598, people don't have time to even know that it is out there, or to be considered by the public. It should have been put to a vote by the public, and not rushed through. We the people deserve this, and demand it! It is definitely bad government to do otherwise! It is not at all what our laws or constitution require! This will cause undo harm and suffering for people, in all walks of life. I demand that you stop this immediately! Charmaine Schmutz
